This year classes will run every day for one week except for the Enrichment classes which will run for 3 weeks. Every week there will be some new options to choose from. Please only sign up for the weeks you know your children will be able to attend.

**Week 1: June 17 – 21, Week 2: June 24 – 28, Week 3: July 8 – 12, Week 4: July 15 – 19,
Week 5: July 22 – 26, Week 6: July 29 – Aug. 2, Week 7: Aug. 5 – 9**

NO SUMMER SCHOOL THE WEEK OF JULY 1ST THROUGH JULY 5TH.

Registration Information:

- **Current students: Online registration only – please use your Skyward Family Access to register**
- All courses with fees **must be paid in full** before registration will be accepted. E-funds payment option is preferred, otherwise mail your checks to the attention of Maureen Lawler:
**Hartland/Lakeside Summer Splash
800 E. North Shore Drive
Hartland WI 53029**
- Non-resident fees are set at \$10.00 per class.
- Non-resident families need to contact Maureen Lawler at mlawler@hartlake.org or (262) 369-6780 for registration.
- **Online registration begins March 25th. Classes will have caps on enrollment, so please register early. Registrations must be completed by June 7th.**
- Classes that have less than 8 students may be cancelled and students will be notified to select another class.

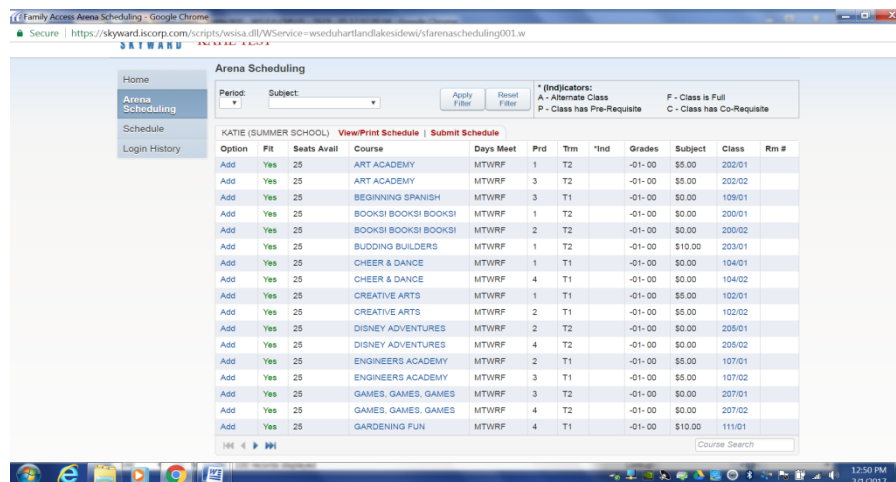

Afternoon Camp: The Village of Hartland will run afternoon camps from 12:30 p.m. – 5:30 p.m. at Hartland North for Session I and II. **Students attending summer school at North Shore Middle School will be bussed to Hartland North for the Afternoon Camp.** Please contact the Village of Hartland directly at 262-367-0352. **Camp information will be added to the website soon.**

Summer School Online Registration Instructions

Online Registration begins on Monday, March 25th at 10:00 A.M. and ends on Friday, June 7th at 10:00 P.M. Register early as all classes have enrollment caps and are closed when full.

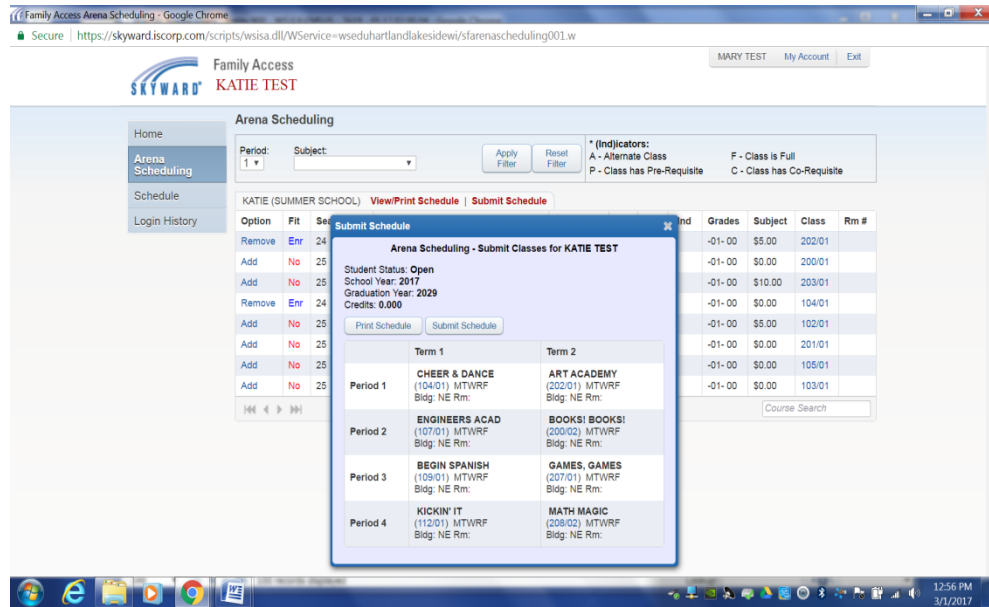

***Please Note:** Online registration is for students **currently** in Grades 4K through 7 in the Hartland/Lakeside School system. All other students must submit paper registration to the District Office.

1. To view the Summer Splash class booklet, log on to the Hartland/Lakeside website at www.hartlake.org, from the Parents tab, click on the **Summer School** tab.
2. To sign up for classes, log on to the Hartland/Lakeside website at www.hartlake.org, from the Parents tab, click on **Family Access** and log in using your Skyward username and password.
3. Click on the **Arena Scheduling** tab on the left - you will see your child/children's names in the drop down box. Click on the **2018-19** under the name of the child you want to pick classes for.
4. Click the **Down Arrow** in the box under period and add the class period (1-4) that you want to schedule. Click on the **Apply Filter** tab - this will show the classes that your child can sign up for each period (based on grade level).

5. Click the **Add** button in front of the class you would like to enroll in. Click the remove button to remove a class from your child's schedule. Term refers to the session; W1 is June 17th - June 21st; W2 is June 24th - June 28th. W3 is July 8th - July 12th, W4 is July 15th - July 19th, W5 is July 22nd - July 26th, W6 is July 29 - August 2nd and W7 is August 5th - August 9th. Prd is the start time: 4K through 2nd grade: 1 is 8:30, 2 is 9:30, 3 is 10:30 and 4 is 11:30 and 3rd through 7th grade: 1 is 8:15, 2 is 9:15, 3 is 10:15 and 4 is 11:15. Clicking on the **Arrows** at the bottom of the page gives you more selections. The cost of each class is listed under Subject. Seats Avail tells you how many seats are available for the class. If the class is full, you will need to pick a different class.

- When you have picked all the classes you want for the **weeks your children will attend**, click on the **View/Print Schedule** tab to verify your student's schedule. If your selected classes are correct, click on the "X" at the top in the right hand corner to return to the previous page.

- Once you have picked the classes you want for the **weeks your children will attend**, you are ready to submit the classes for this child. Click on the **Submit Schedule** tab, verify your child's schedule again and then click **Submit Schedule**. Print out a copy of your child's schedule to bring along on the first day. Click the "X" to close the small window. You can now register your next student. Go to the Arena Scheduling tab and select your next child.
- The last step is paying for your classes. The preferred method of payment is E-funds. After logging into E-funds, go to the **Summer Splash** tab under Schools and **Add** a payment. Payment can also be made by check. Total fees for all summer school classes, for your whole family, can be paid with one check. Send one copy of your child/ren's schedules with the check made out to Hartland/Lakeside Schools and marked summer school to the District Office, Attention: Maureen Lawler. **Payment must be made at the time of registering for classes.**
- If you have any questions or need help with your registration, please contact Maureen Lawler at: mlawler@hartlake.org or 262-369-6780.

Hartland/Lakeside 2019 Summer School Class Offerings

Come read some of your favorites and make those stories come to life! Offered: Week 1 – 10:30, Week 6 – 10:30	Teacher: J. Berens	\$0.00
Adventures in Cooking Join in the fun of cooking and baking without a stove or oven. This course will teach you how to cook classic dishes and also allow you to test out new ingredients and recipes. Offered: Week 1 – 10:30, Week 4 – 11:30	Teacher: A. Narloch	\$5.00
Build It – Legos If you want to “Build It” with LEGOS, you should come to this fun and engaging course!! Excitement, imagination, creativity, and critical thinking skills are needed for this hands on summer school class. Students will explore with Legos and create, participate in daily challenges, and so much more! Up for some construction challenges? Build It!...with LEGOS! Offered: Week 1 – 11:30, Week 2 – 11:30, Week 3 – 11:30	Teacher: S. Dollins	\$0.00
Tumbling Come and improve your strength, flexibility, balance, endurance and body awareness in this fun and engaging tumbling class. Learn some basic tumbling skills like rolls, cartwheels, head stands, leaps and turns and more. No experience needed! Offered: Week 1 – 11:30, Week 2 – 11:30 Week 4 – 11:30	Teacher: J. Andersen	\$0.00
No Bake Healthy Treats Healthy no bake snacks kids will love! Students will learn how to make healthy snacks for themselves that require no baking! Learn how to make healthy choices, measure ingredients, and recipes they can make at home. At the end of each class, we will get to enjoy our tasty treats. Offered: Week 1 – 11:30, Week 3 – 11:30	Teacher: C. Bence	\$5.00

Reading in the Wild This class is where we find our favorite books and simply read in the wild. We will read short stories together and be given the opportunity to practice being avid readers and read in exciting places so we can build on what we have learned all year. Offered: Week 1 – 11:30, Week 2 – 11:30	Teacher: O. Wolff	\$0.00
Classic Games Do you love games? Students will enjoy classic old-school board game play while learning important prosocial skills like taking turns, being a good sport, following rules, and encouraging others. What's the best part? It's FUN! Offered: Week 1 – 11:30, Week 2 – 10:30	Teacher: S. Martz	\$0.00
Little Chef Love to cook or bake: This class is for you. You will learn how to make your own chef's hat and some easy peasy recipes that don't require a stove or oven. Offered: Week 2 – 8:30, Week 6 – 8:30	Teacher: A. Steinbrecher	\$5.00
Sports O'Rama What's your favorite sport? In this class you will try out different sports. Discover different sports like grass skiing and equestrian show jumping. Find out what it takes to compete in a variety of sports from all over the world. Offered: Week 2 – 8:30, Week 6 – 9:30	Teacher: A. Price	\$0.00
Sidewalk Art Join us for fun in the sun with sidewalk art! Create works of art on the sidewalk using chalk, watercolors, and other materials. Offered: Week 2 – 8:30, Week 3 – 10:30, Week 5 – 8:30	Teacher: A. Narloch	\$5.00
Creepy Crawly Critters In this class budding entomologists learn about the fascinating lives of insects through popular children's literature, exploring a huge bug collection, and live observations of six-legged visitors. Offered: Week 2 – 9:30, Week 4 – 10:30	Teacher: K. Soik	\$0.00
Cinderella Ballet Camp Experience the beautiful world of ballet through story-telling, movement study, games, crafts and literacy activities. This is more than just a ballet class. It is a magical, exciting journey through classical ballet with a variety of age appropriate activities. The theme of this week will be Cinderella. Offered: Week 2 – 9:30	Teacher: J. Andersen	\$0.00
Kickin Up Dirt This is a rock'n geology class where young earth scientists appreciate rocks and minerals by exploring an expansive collection and sharing their own, playing identification games, busting open geodes, and creating earthquakes and volcanoes. Offered: Week 2 – 10:30, Week 2 – 11:30	Teacher: K. Soik	\$0.00
Fun with Arts and Crafts Come create works of art using crayons, markers, paint, yarn, and a variety of other materials! Projects may include paintings, postcards, paper bag books, rainbow crayons, and more! Offered: Week 2 – 10:30, Week 4 – 8:30, Week 6 – 8:30	Teacher: A. Narloch	\$5.00
Junior Authors This class is an opportunity for kids to write about what they love and express themselves through stories! We will be going back to the foundations of writing and making books to keep forever. Offered: Week 3 – 8:30, Week 4 – 9:30	Teacher: O. Wolff	\$0.00
Outdoor Explorers-Plants & Animals A science enriched class that allows kids to explore outside while learning about what we are experiencing and diving deeper into our understanding of nature. This class has interactive smartboard lessons and activities that coordinate with our outdoor time. Offered: Week 3 – 9:30	Teacher: O. Wolff	\$0.00
Budding Builders Do you like to build and construct? Come put your building hat on to explore basic engineering concepts through construction activities. You will learn how to design and build with simple materials to create buildings, bridges, and much more! We use household materials like popsicle sticks and crackers to build bridges, buildings, and cars. Offered: Week 3 – 10:30, Week 6 – 10:30	Teacher: A. Price	\$5.00
Outdoor Explorers We will satisfy children's natural curiosity and inquisitiveness with this fun class that will get them outside exploring the world around them! Through inquiry based learning, the children will have the opportunity to find answers to their burning questions, further growing their love of learning. Offered: Week 3 – 11:30	Teacher: A. Price	\$0.00

Anything Goes with Reading Children will develop and enhance their passion for reading and literacy skills. A variety of stories will be read and shared, followed by hands-on, artistic interpretations of the stories! Offered: Week 3 – 11:30	Teacher: A. Narloch	\$0.00
Outdoor Explorers – Sky A science enriched class that allows kids to explore outside while learning about what we are experiencing and diving deeper into our understanding of nature. This class has interactive smartboard lessons and activities that coordinate with our outdoor time. Offered: Week 4 – 8:30	Teacher: O. Wolff	\$0.00
Under the Sea Do you love learning about the ocean? Come dive into a week of ocean fun. In this hands-on class, we will study the zones of the ocean, create an ocean mural, and playing fun games as we discover the amazing things under the sea. Offered: Week 4 – 8:30	Teacher: B. Gariepy	\$0.00
Cards Galore Crazy 8! War! Uno! Go Fish! And More! Come learn about different card games, get the chance to play, develop language and math skills, and have fun working and playing with friends. Students will spend each week learning and playing new and exciting card games. Offered: Week 4 – 9:30, Week 5 – 9:30, Week 6 – 11:30	Teacher: S. Dollins	\$0.00
Carnival of the Animals Ballet Camp Experience the beautiful world of ballet through story-telling, movement study, games, crafts and literacy activities. This is more than just a ballet class. It is a magical, exciting journey through classical ballet with a variety of age appropriate activities. The theme of this week will be Carnival of the Animals. Offered: Week 4 – 9:30	Teacher: J. Andersen	\$0.00
Creative Crafts for Creative Kids Jump start kids creativity with these simple crafts made from everyday items that are in your home. Creative environmentally friendly crafts by cleaning and reusing such materials as cans, milk jugs, egg cartons, plastic six-pack rings, and soda bottles. Offered: Week 4 – 9:30, Week 5 – 9:30, Week 6 – 9:30	Teacher: C. Bence	\$5.00
Fun Factory – Games & Toys The Fun Factory is sheer magic! Have you ever wondered how to turn a cardboard box and some plastic bottles into a Medieval castle, or make dinosaurs from an old pair of socks? There is no need to buy expensive materials-you'll find everything you need at home. In this class, we will also be on earth watch which will provide information on our environment and how to protect it. Offered: Week 4 – 10:30, Week 5 – 10:30, Week 6 – 10:30	Teacher: C. Bence	\$0.00
Knitting Fun Come create wonderful works of fiber art and learn the basics of arm knitting, crocheting, weaving, finger knitting, & more! Offered: Week 4 – 10:30, Week 6 – 11:30	Teacher: A. Narloch	\$5.00
Giant Board & Backyard Games Play some of your favorite games in a whole new way and learn about some new games to play outside! Kids will learn the importance of cooperation and collaboration. Tic-Tac-Toe is new and improved, Twister will never be the same again. Offered: Week 4 – 10:30, Week 6 – 11:30	Teacher: J. Berens	\$0.00
Mighty Math In this class we will read math related stories and have fun exploring various mathematical concepts such as numeration, graphing, measurement, money and geometry. In addition we will play math games like Uno, Trouble, Dominoes and Bingo. Offered: Week 4 – 11:30, Week 5 – 11:30, Week 6 – 9:30	Teacher: S. Dollins	\$0.00
Rock Painting In their natural state, rocks are fascinating to kids! Imagine how irresistible they will be when painted with colorful artwork. Whether you paint just one or a set to tell a story, these rocks will be treasured! Offered: Week 4 – 11:30, Week 5 – 11:30, Week 6 – 11:30	Teacher: C. Bence	\$5.00
Crafty Kids Who doesn't love arts and crafts? Your child will have a wonderful time getting creative by exploring and manipulating various art objects as they produce their own masterpieces. Offered: Week 4 – 11:30	Teacher: A. Steinbrecher	\$5.00

1st Literacy Enrichment - *Note this is a 2 hour class* This class is designed to extend and enrich student learning throughout the summer, so that students enter the next grade level with the skills, strategies, and knowledge needed to be successful. (Teacher Recommended ONLY) Week 1 to 3 – 8:30, Week 4 to 6 – 8:30	\$0.00
2nd Literacy Enrichment - *Note this is a 2 hour class* This class is designed to extend and enrich student learning throughout the summer, so that students enter the next grade level with the skills, strategies, and knowledge needed to be successful. (Teacher Recommended ONLY) Week 1 to 3 – 8:30, Week 4 to 6 – 8:30	\$0.00
Summer Fun Camp Students who are attending the week of August 5th – 9th will be participating in a summer fun camp. Our staff will have more information as enrollment is available. We welcome you to join us for the last week of fun. Offered: Week 7 – 8:30 to 12:30	0.00

**** NO SCHOOL ****

JULY 1 – JULY 5

Hartland/Lakeside 2019 Summer School Class Offerings

*Please select classes based on your child's CURRENT grade level as of **Jan. 1, 2019.***

3rd – 5th CLASSES OFFERED THIS SUMMER

Mad Chemist	Math Fun	Golf
Inspired Traveler	CAD for Kids I	Stamping
Futsal	Fabric & Yarn Fun	Minecraft Makers I
Ultimate Games	Knights for Kindness	Spanish
Engineering Academy	Minecraft Makers II	Flute for Fun
Card Games	Coding	Wicked Science
Breakout EDU	Tennis	Rock Painting
Storybook STEM	First Aid	Origami
Blast Off to Outer Space	CAD for Kids II	Wilderness Survival
Basketball	No Bake Snacks	Wonders of Human Body
Delectable Baking	Foodology	Math Magic
Fraction Games	Wild Weather	Jewelry Design
Board Games Design I	Yoga/Games I	Building a Geometro City
Chess	History Fun	Theater Games
3rd Literacy Enrichment	3rd Math Enrichment	4th Literacy Enrichment
4th Math Enrichment	5th Math Enrichment	5th Literacy Enrichment
Bal-A-Vis-X	Summer Games Camp	

CLASS DESCRIPTION	FEE
<p>Mad Chemist Teacher: K. Soik In this class, your Mad Chemist explores spectacular chemical reactions such as color changing acid/base reactions, things that grow like elephant toothpaste, reactions that move, and the chemistry of fireworks. The best part is parents don't have to clean-up the mess! Offered: Week 1 – 8:15, Week 1 – 9:15, Week 3 – 10:15, Week 3 – 11:15</p>	\$0.00
<p>Math Fun Teacher: P. Eckerman Practice your math skills in this class devoted to fun math games focusing on number sense, probability, and logic. Offered: Week 1 – 8:15</p>	\$0.00
<p>Golf Teacher: J. Nekich Swing Away! This class gives kids an opportunity to practice driving, chipping, and putting with the use of developmentally appropriate SNAG golf equipment. Offered: Week 1 – 8:15, Week 1 – 10:15, Week 3 – 9:15, Week 5 – 8:15</p>	\$0.00
<p>Inspired Travel - *Note this is a 2 hour class* Teacher: J. Harter If you could travel anywhere in the world where would you go? You will be given a generous budget and learn how to plan the trip of your dreams. Students will become familiar with the culture they travel to, how to create travel maps, balance trip finances, and plan fun activities around their favorite destination. Offered: Week 1 – 8:15</p>	\$0.00
<p>CAD for Kids I - *Note this is a 2 hour class* Teacher: R. Jonet Do you enjoy planning and building your own designs? Using the knowledge gained from CAD for Kids I, your designs will be brought to life using the revolutionary 3D printing technology! Learn how 3D printers work, how to use them, and the vast materials that can be printed. Offered: Week 1 – 8:15, Week 3 – 8:15, Week 5 – 8:15</p>	\$5.00
<p>Stamping Teacher: A. Forecki Students will create their own stamps using food and other everyday items to create beautiful patterns on various mediums in this class. Offered: Week 1 – 9:15</p>	\$5.00
<p>Futsal Teacher: J. Nekich This class offers an introduction to futsal rules, and then an abundance of competitive games played indoors that will improve soccer skills. Offered: Week 1 – 9:15, Week 1 – 11:15, Week 3 – 11:15, Week 5 – 9:15</p>	\$0.00
<p>Flute for Fun – this class is for 5th grade only Teacher: L. Wedell Practice makes perfect! Take some time this summer to improve your musical skills. Students will have the opportunity to practice alone and in small groups to gain skill and confidence in an informal setting. Have some fun while allowing your talent to grow! Offered: Week 1 – 9:15, Week 2 – 10:15</p>	\$0.00
<p>Fabric & Yarn Fun Teacher: L. Wedell Lose a button? No worries, you will learn how to sew it back on all by yourself! Students will use creativity, math skills, and fine motor skills while learning and applying basic hand sewing to the projects and crafts they make. Offered: Week 1 – 10:15, Week 1 – 11:15, Week 2 – 8:15, Week 2 – 11:15, Week 3 – 8:15, Week 5 – 8:15, Week 5 – 10:15</p>	\$5.00
<p>Minecraft Makers I Teacher: R. Jonet Do you enjoy playing Minecraft? Join the class and bring your ideas to life! Students will follow unique building tasks and create their own virtual models. Learn about basic construction and building principles. Unleash your creativity through the wonderful world of Minecraft! Continue with Minecraft II. Offered: Week 1 – 10:15, Week 4 – 8:15, Week 5 – 11:15</p>	\$5.00
<p>Ultimate Games Teacher: J. Harter Come and experience awesome variations to classic games such as super kickball, 4-way capture the flag, swamp dodgeball and more. Offered: Week 1 – 10:15, Week 4 – 10:15</p>	\$0.00
<p>Knights for Kindness - *Note this is a 2 hour class* Teacher: R. Jarolimek Knights for Kindness is a community service project that teaches students the value of helping others through participation in community service projects and club activities in our local community. Offered: Week 1 – 10:15, Week 4 – 8:15, Week 6 – 10:15</p>	\$0.00

Spanish Students will learn introductory Spanish through songs, stories, movement activities and games. Offered: Week 1 – 11:15, Week 2 – 11:15	Teacher: A. Zimmer	\$0.00
Engineering Academy Are you interested in how things move? Do you like to create with a variety of materials? This class will teach you about forces, motion, and design. This class will explore basic STEM principles through hands-on explorations and investigations in three major areas: force and motion, ramps for rolling, and design and materials. Offered: Week 1 – 11:15, Week 4 – 11:15	Teacher: J. Harter	\$0.00
Minecraft Makers II Do you enjoy playing Minecraft? Using your experience from Minecraft Makers I, you will expand your creativity through more complex building tasks. Expand upon the virtual models you've already made and work in teams to complete building challenges. Unleash your creativity through the wonderful world of Minecraft! Offered: Week 1 – 11:15, Week 4 – 9:15, Week 6 – 8:15	Teacher: R. Jonet	\$5.00
Card Games Do you love playing cards? Do you love winning? These games will help with fact fluency, strategy, and concentration. Offered: Week 2 – 8:15	Teacher: T. Mount	\$0.00
Coding Use problem solving skills, creativity, teamwork and innovation in order to code robots and other digital media. Students will be working in partnerships and groups to complete the coding activities and challenges. Offered: Week 2 – 8:15, Week 2 – 10:15, Week 3 – 9:15, Week 3 – 11:15	Teacher: A. Quick	\$0.00
Wicked Science These aren't your normal science experiments! Learn concepts like friction through interlaced phone book tug of war, the magic of shape-memory metals, the mysterious fire snake chemical reaction, and much more. You'll never forget the mad science you learn in this engaging class! Offered: Week 2 – 8:15, Week 4 – 9:15	Teacher: J. Harter	\$0.00
Breakout EDU Challenge yourself by unlocking codes and "breaking out" of a digital game. This class will encourage collaboration, critical thinking, creativity, and communication. Looking to solve digital puzzles? This class is for you. Offered: Week 2 – 8:15, Week 2 – 9:15, Week 5 – 8:15, Week 5 – 9:15	Teacher: R. Jarolimek	\$0.00
Tennis Come learn the game of tennis. This class will provide opportunities for players to learn the skills of the game through drills, learning how to keep score and participating in playing the game. Offered: Week 2 – 8:15, Week 2 – 9:15	Teacher: J. Nekich	\$0.00
Rock Painting Do you like designing things? Create picture holders, paperweights, and other crafts using rocks! Fun with paint and rocks! Offered: Week 2 – 9:15	Teacher: T. Mount	\$5.00
Storybook STEM Each day we will focus on a children's book or portion of a chapter book that will guide us towards a STEM investigation. Students will then work in partnerships or groups to creatively problem solve a solution for the problem. Offered: Week 2 – 9:15, Week 2 – 11:15, Week 3 – 8:15, Week 3 – 10:15	Teacher: A. Quick	\$0.00
First Aid Become prepared with how to respond in the case of an emergency and administer basic first aid. Students will learn how to assess vital signs, control bleeding, support a broken bone, and much more. These skills can make all the difference when helping a friend, family member, or yourself in distress and is applicable wherever you go. Offered: Week 2 – 9:15	Teacher: J. Harter	\$0.00
Origami Do you love paper crafts? Discover the many ways to create things using paper! Animals, objects, food, oh my! Create any object that you choose. Offered: Week 2 – 10:15	Teacher: T. Mount	\$5.00
Blast Off to Outer Space Soar into space to discover stars, asteroids, solar systems and space travel. Learn about the rovers on Mars, what happens when a star dies, what forms time, why the planets travel in the same direction, and much more. You'll never be able to look at the sky the same again! Offered: Week 2 – 10:15	Teacher: J. Harter	\$0.00

<p>CAD for Kids II - *Note this is a 2 hour class* Teacher: R. Jonet</p> <p>Do you enjoy planning and building your own designs? Using the knowledge gained from CAD for Kids I, your designs will be brought to life using the revolutionary 3D printing technology! Learn how 3D printers work, how to use them, and the vast materials that can be printed.</p> <p>Offered: Week 2 – 10:15, Week 4 – 10:15, Week 6 – 10:15</p>	\$5.00
<p>Wilderness Survival Teacher: J. Harter</p> <p>What would you do if you became lost in the wilderness? Students will learn the basic lifesaving skills necessary to navigate the environment, set up shelter, and signal for help through hands-on activities.</p> <p>Offered: Week 2 – 11:15, Week 3 – 8:15</p>	\$0.00
<p>Basketball Teacher: J. Nekich</p> <p>Come improve your basketball skills. This class will provide opportunities for players to work on all phases of their game during drills and games. Offered: Week 3 – 8:15, Week 3 – 10:15, Week 5 – 10:15, Week 5 – 11:15, Week 6 – 9:15, Week 6 – 11:15</p>	\$0.00
<p>No Bake Snacks Teacher: L. Wedell</p> <p>Health no-bake snacks kids will love! Students will learn how to make healthy snacks for themselves that require no baking! We will learn how to make healthy choices, measure ingredients, and recipes they can make at home. At the end of each class, we will get to enjoy our tasty treats!</p> <p>Offered: Week 3 – 9:15, Week 4 – 9:15, Week 4 – 11:15, Week 5 – 11:15, Week 6 – 8:15</p>	\$5.00
<p>Wonders of the Human Body Teacher: J. Harter</p> <p>Do you ever wonder how your heart works, why you get sick, or what supports us from turning into Jello? Come explore the wonders of the cardiovascular, nervous, muscular, skeletal, and immune systems of our amazing bodies.</p> <p>Offered: Week 3 – 9:15</p>	\$0.00
<p>Delectable Baking - *Note this is a 2 hour class* Teacher: J. Harter</p> <p>Do you have a sweet tooth and want to learn how to bake mouth-watering desserts? Put your skills to the test and learn how to bake delectable 7-layer bars, bread, candy, fudge and much more. Oh, and of course you'll be able to eat all of what you make!</p> <p>Offered: Week 3 – 10:15</p>	\$5.00
<p>Foodology Teacher: R. Jonet</p> <p>Come and explore how simple ingredients can make great eating! You will learn measurement, how to read a simple recipe, and how to combine simple ingredients to produce an edible product. This class will examine cooking and how certain elements combine to produce delectable results. So put your chef hat on and join us!</p> <p>Offered: Week 3 – 10:15, Week 3 – 11:15, Week 5 – 10:15, Week 6 – 9:15</p>	\$5.00
<p>Math Magic Teacher: T. Mount</p> <p>Do you love being able to stump adults with math tricks? I do! Join me in learning the in's and out's of numbers. You'll stump them every time.</p> <p>Offered: Week 3 – 10:15, Week 4 – 11:15</p>	\$0.00
<p>Fraction Games Teacher: T. Mount</p> <p>For the love of fractions! This class will be full of games and manipulatives! By composing and decomposing numbers, students will have a better sense of numbers and number sense.</p> <p>Offered: Week 3 – 11:15, Week 4 – 10:15</p>	\$0.00
<p>Board Game/Design - *Note this is a 2 hour class* Teacher: J. Harrop</p> <p>We'll be learning and playing all sorts of cooperative and competitive board, card, and dice games, and hopefully designing and making our own.</p> <p>Offered: Week 4 – 8:15, Week 5 – 10:15</p>	\$0.00
<p>Wild Weather Teacher: J. Harter</p> <p>Do you ever wonder how a tornado forms, what causes lightning, why the northern lights dance in the sky, or how clouds accumulate so much water? We'll answer these questions and much more through hands-on demonstrations that you'll never forget. At the end you'll develop a much better understanding of the dynamic weather processes that influence us every day.</p> <p>Offered: Week 4 – 8:15</p>	\$0.00
<p>Jewelry Design Teacher: L. Wedell</p> <p>You will learn basic design principles to produce wearable art! This class will teach you the fundamentals of design using a variety of materials to create jewelry.</p> <p>Offered: Week 4 – 8:15, Week 4 – 10:15, Week 5 – 9:15, Week 6 – 10:15</p>	\$5.00
<p>Yoga/Games - *Note this is a 2 hour class* Teacher: J. Harrop</p> <p>We'll be outdoors playing all sorts of active games, and then relaxing through various yoga poses and flows. Offered: Week 4 – 10:15, Week 5 – 8:15</p>	\$0.00

<p>Building a Geometro City - *Note this is a 2 hour class* Teacher: T. Mount</p> <p>Do you love shapes, art, and building things? Build an entire city using geometry concepts. Students will build their own 3-dimensional city.</p> <p>Offered: Week 5 – 10:15, Week 6 – 8:15</p>	\$0.00
<p>Chess Teacher: W. Darling</p> <p>Build spatial thinking, strategy skills, and focus while learning the classic game of chess. You will learn the basic game rules and opening tactic moves to beat your opponent.</p> <p>Offered: Week 6 – 8:15, Week 6 – 10:15</p>	\$0.00
<p>Theater Games Teacher: J. Debelack</p> <p>Love to perform? Love to play games? This class is the best of both worlds! Come play theater and improvisational games that will be fun but also help you sharpen your acting skills!</p> <p>Offered: Week 6 – 8:15, Week 6 – 10:15</p>	\$0.00
<p>Bal-A-Vis-X Teacher: J. Van Zeeland</p> <p>Bal-A-Vis-X is a series of Balance/Auditory/Vision Exercise of varying complexity routed in rhythm. Using racquet balls and bean bags you will learn steady rhythmic exercises that demand cooperation, promotes self-challenge, and fosters peer teaching. Great for focus and fun.</p> <p>Offered: Week 6 – 8:15, Week 6 – 10:15</p>	\$0.00
<p>History Fun Teacher: W. Darling</p> <p>Are you a history nut! Come learn some weird, interesting and funny historical events through a variety of activities and games.</p> <p>Offered: Week 6 – 9:15, Week 6 – 11:15</p>	\$0.00
<p>3rd Literacy Enrichment - *Note this is a 2 hour class*</p> <p>This class is designed to extend and enrich student learning throughout the summer, so that students enter the next grade level with the skills, strategies, and knowledge needed to be successful.</p> <p>(Teacher Recommended ONLY) Week 1 to 3 – 8:15, Week 4 to 6 – 8:15</p>	\$0.00
<p>3rd Math Enrichment</p> <p>This class is designed to extend and enrich student learning throughout the summer, so that students enter the next grade level with the skills, strategies, and knowledge needed to be successful.</p> <p>(Teacher Recommended ONLY) Week 1 to 3 – 10:15, Week 4 to 6 – 10:15</p>	\$0.00
<p>4th Literacy Enrichment - *Note this is a 2 hour class*</p> <p>This class is designed to extend and enrich student learning throughout the summer, so that students enter the next grade level with the skills, strategies, and knowledge needed to be successful.</p> <p>(Teacher Recommended ONLY) Week 1 to 3 – 8:15, Week 4 to 6 – 8:15</p>	\$0.00
