

Hartland Lakeside BYOD (Bring Your Own Device)

The Hartland Lakeside School District will be allowing staff and students to connect to the schools wireless network with their personally owned devices, such as an iPad, iPad mini, iPhone or Android phone, Android based tablets, Chromebooks and other network attached handheld devices.

All students that currently own their iPad or purchased it thru the Parent Purchase Program will need to sign the BYOD form and we will attach the device to the wireless network..

Device that are **Allowed** on the HLSD network..

iOS devices are iPad, iPhone, iPod Touch, iPad mini

Android phones or tablets for a complete list visit (there are hundreds of devices in this list)

<http://www.androidtapp.com/list-of-android-devices/>

Chromebooks

Devices that are **NOT Allowed** on the HLSD network.

Any complete OS (operating system) such as Macintosh OS X of any version, Windows 8,7, XP, etc.. Linux. These systems are typically found on laptops, and the student/user has administrative access to the underlying operating system kernel.

Parents and students please sign and return the form below to either the classroom teacher or the technology department.

We appreciate your help and cooperation.
The Technology Department

Hartland-Lakeside School District
Parent/Student Device Responsibility Agreement

I, _____, parent/guardian of _____ agree to the following conditions for using a(n) _____ to support my child's education in the Hartland-Lakeside School District.

In order to maintain this privilege, I agree to the following responsibilities:

- I agree to read and follow the district's Student Acceptable Usage Policy, and will not use this personal device, in or out of school, for inappropriate or unlawful purposes as stated in the Acceptable Use Policy. Inappropriate is defined as:
 - Obscene, as that term is defined in section 1460 of title 18, United States Code;
 - Child Pornography, as that term is defined in section 2256 of title 18, United States Code; or
 - Harmful to minors.
- I agree to allow the Technology Department to assist with basic service specific to educational purposes whenever it is determined to be necessary for the academic function.
- I agree to maintain my child's personal device and monitor my child's use to ensure required content that supports the curriculum and instruction as directed by the Hartland-Lakeside School District is included. I further agree to limit or remove content from my child's personal device in order to discourage behavior that fails to support my child's education and/or distracts my child from learning as determined by the staff at the Hartland- Lakeside School District. Content that is not required by the Hartland- Lakeside School District may be acceptable for use upon prior agreement that is consistent with district curriculum and instruction to support student learning.
- I understand that the Hartland-Lakeside School District is not responsible for the loss or breakage of my personal device and I will not be reimbursed by the Hartland-Lakeside School District under any conditions.
- I understand that the Internet will be filtered while on the Hartland-Lakeside School District grounds, but that I am responsible for the content and behavior on my child's personal device during off-school hours.
 - The Hartland-Lakeside School District uses a content filter that monitors the usage of the Internet. If I choose to have this filter installed on my device, I understand that all Internet traffic will be logged at school and at home and I am responsible for all personal use, including illegal activity.
- I understand that failure to comply with any of these rules and policies will result in the suspension of my child's ability to use their personal device at school.

____ Yes, I agree to have the Hartland-Lakeside School District content filter installed on my device and I understand my responsibility of appropriate use. (not available on all Android devices.)

____ No, I do not want the Hartland-Lakeside School District content filter installed on my device, but I understand that I am still responsible for all use.
