

Hartland/Lakeside Confidentiality Agreement

I understand in the course of my time in the classroom, I may become aware of confidential information about specific students, which may include such information as student academic performance, behavior, health, disabilities and related matters. I understand the importance of confidentiality and will not access or discuss students' or staff members' personal or physical conditions with anyone other than appropriate school personnel (teacher, principal, therapists, etc.) and will adhere to school policies on confidentiality. I understand and agree that I will not disclose such confidential information except to the building administrator.

Any breach of confidentiality will be carefully reviewed and if substantiated could result in termination of involvement with the School District, and may result in legal action. I have read, understand, and agree to the information presented above:
