Policy 750.1
STUDENT ALTERNATIVE TRANSPORTATION

When the operation of a school bus is not economical or practical for an event during a school day, parent(s)/guardian(s) or staff members may transport students with a privately owned or leased vehicle. Approval will be at the discretion of the district administrator. All privately owned or leased vehicles transporting students shall be driven by someone who holds a valid regular Wisconsin driver's license and is at least 21 years of age and have two adults present at all times. The driver must also provide evidence of current insurance coverage for motor vehicle being used and participate in a background check.

The number of students will not exceed the number of seat belts available in each vehicle.

This policy does not apply to commercially owned transportation companies that are contracted under contract with the District.

☐ I have read and acknowledge School Board Policy 750.1.
