

# 2025 SUMMER SCHOOL

- ✓ EXPLORATION & DISCOVERY
- ✓ SCIENCE & TECH
- ✓ FUN & GAMES
- ✓ ARTS & CRAFTS
- ✓ AND SO MUCH MORE!

## JUNE 16TH TO AUGUST 1ST

**NO CLASSES JUNE 30TH - JULY 4TH**

**FOR MORE INFORMATION, CONTACT US :**  
**262-369-6700**  
**WWW.HARTLAKE.ORG**

## 2025 HARTLAND-LAKESIDE SUMMER SCHOOL

**4K – 2nd Grades will be at Hartland North Elementary School**  
232 Church Street, Hartland, WI. 53029

**3rd – 7th Grades will be at North Shore Middle School**  
800 E. North Shore Drive, Hartland, WI. 53029

### **NEW THIS YEAR:**

**NO Summer School: June 30th through July 4th**  
**4K – 7th Targeted Practice Classes are for Hartland-Lakeside students with a teacher recommendation ONLY.**

We will run 3 two-week sessions:

**2 Week Sessions: June 16 – June 27, July 7 – July 18, July 21 – August 1**

Every session there will be some new options to choose from. Please only sign up for the sessions you know your children will be able to attend.

#### **Registration Information:**

- **Current students: Online registration only – please use your Skyward Family Access to register.**
- All courses with fees **must be paid in full** before registration will be accepted. E-funds payment option is preferred, otherwise mail your checks to the attention of Maureen Lawler:  
**Hartland-Lakeside Summer School**  
**800 E. North Shore Drive**  
**Hartland WI 53029**
- Non-resident fees are set at \$10.00 per class.
- Non-resident families need to contact Maureen Lawler at [mlawler@hartlake.org](mailto:mlawler@hartlake.org) or (262) 369-6780 for registration.
- **Online registration begins March 21st at 10:00 a.m. Classes will have enrollment caps, so please register early. Registrations must be completed by June 1st.**
- Classes that have less than 10 students may be cancelled, and students will be notified to select another class.

#### **Afternoon Camp will be held at Hartland North Elementary School**

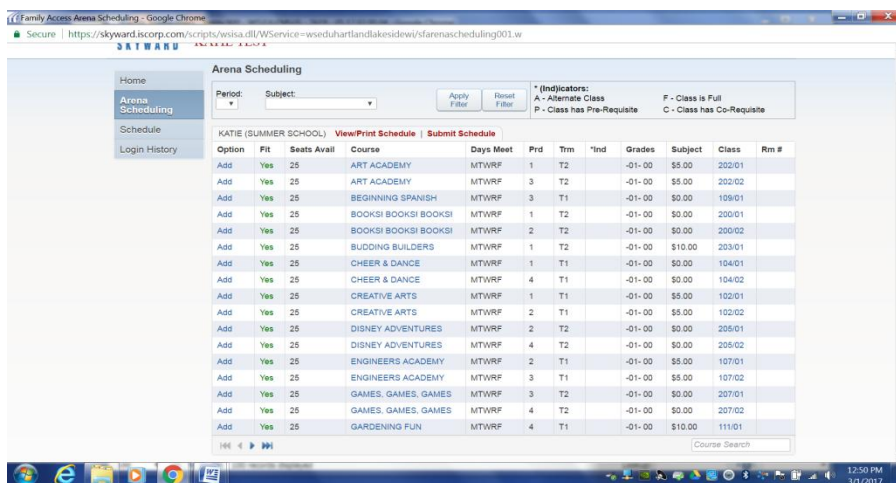

The Village of Hartland will run afternoon camps from 12:30 p.m. – 5:30 p.m. at Hartland North. Students must be 6 years old to attend this camp. **Students attending summer school at North Shore Middle School will be bussed to Hartland North for the Afternoon Camp.** To register for afternoon camp please contact the Village of Hartland directly at 262-367-0352 or by going to the [Village of Hartland Website](#).

## Summer School Online Registration Instructions

Online Registration begins on Friday, March 21st at 10:00 A.M. and ends on Sunday, June 1st at 10:00 P.M. Register early as all classes have enrollment caps and are closed when full. There are **NO** wait lists for closed classes.

**\*Please Note:** Online registration is for students **currently** in Grades 4K through 7 in the Hartland-Lakeside School system. All other students please contact Maureen Lawler at either [mlawer@hartlake.org](mailto:mlawer@hartlake.org) or 262-369-6780, for a login and password to sign up for classes.

1. To view the Summer School class booklet, log on to the Hartland-Lakeside website at [www.hartlake.org](http://www.hartlake.org), scroll down to **Updates & Stories**, click on **View All Stories** then the **Summer School booklet**.
2. To sign up for classes, log on to the Hartland-Lakeside website at [www.hartlake.org](http://www.hartlake.org), click on Family Links, click on **Skyward Family Access** and log in using your Skyward username and password.
3. Click on the **Arena Scheduling** tab on the left - you will see your child/children's names in the drop-down box. Click on the **2024-25** under the name of the child you want to pick classes for.
4. Click the **Add** button in front of the class you would like to enroll in. Click the remove button to remove a class from your child's schedule.

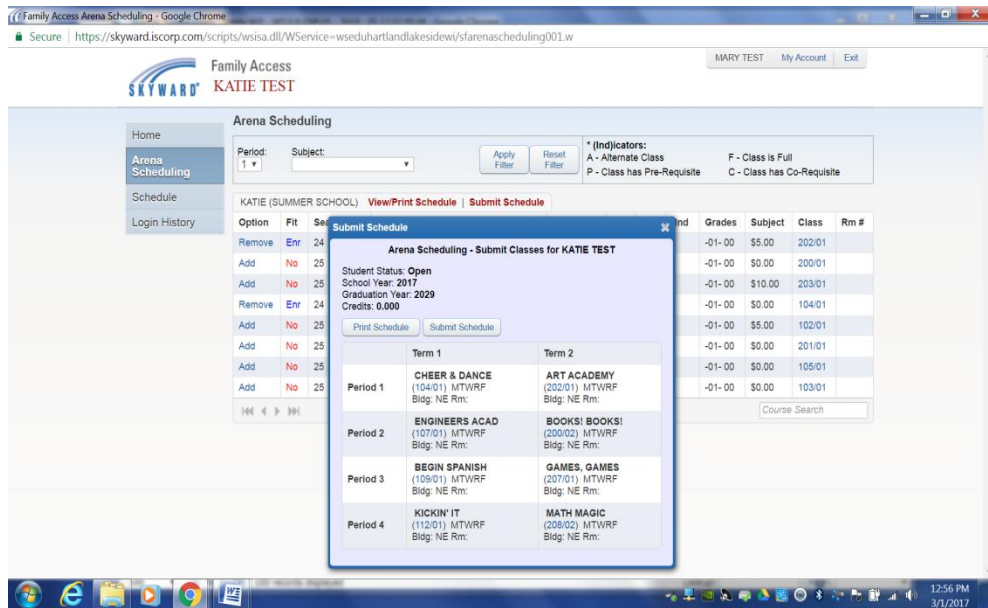

Term refers to the session  
 T1 is for 2 Weeks  
 T2 is for 2 Weeks  
 T3 is for 2 Weeks

Prd refers to the hour  
 1 is Hour 1  
 2 is Hour 2  
 3 is Hour 3  
 4 is Hour 4

5. Clicking on the **Arrows** at the bottom of the page gives you more selections. The cost of each class is listed under Subject. Seats Avail tells you how many seats are available for the class. If the class is full, you will need to pick a different class. There are no wait lists for classes.

- When you have picked all the classes you want for the **sessions your children will attend**, click on the **View/Print Schedule** tab to verify your student's schedule. If your selected classes are correct, click on the "X" at the top in the right-hand corner to return to the previous page.

- Once you have picked the classes you want for the **sessions your children will attend**, you are ready to submit the classes for this child. Click on the **Submit Schedule** tab, verify your child's schedule again and then click **Submit Schedule**. Print out a copy of your child's schedule to bring along on the first day. Click the "X" to close the small window. You can now register your next student. Go to the Arena Scheduling tab and select your next child.
- The last step is paying for your classes. The preferred method of payment is E-funds. After logging into E-funds, go to the **Summer School** tab under Schools and **Add** a payment. Payment can also be made by check. Total fees for all summer school classes, for your whole family, can be paid with one check. Send one copy of your child's/children's schedule(s) with the check made out to Hartland-Lakeside Schools and marked summer school to the District Office, Attention: Maureen Lawler. **Payment must be made at the time of registering for classes.**
- If you have any questions or need help with your registration, please contact Maureen Lawler at: [mlawler@hartlake.org](mailto:mlawler@hartlake.org) or 262-369-6780.

## Hartland-Lakeside 2025 Summer School Class Offerings

**Please select classes based on your child's CURRENT grade level as of Jan. 1, 2025.**

### **4K/5K TARGETED PRACTICE CLASSES**

*Targeted Practice classes are for students who currently attend Hartland Lakeside Schools*

Practice classes are designed to extend and enrich student learning throughout the summer so that students are ready to enter the next grade level with the skills, strategies, and knowledge needed to be successful.

Practice classes are open to students with a teacher recommendation. If your child is taking the practice classes, **please sign up for those first.** You can then fill in the gaps with the classes listed in the elective section.

**4K/5K Class Descriptions**

<b>CLASS DESCRIPTION</b>	<b>FEE</b>
<b>4K Targeted Practice</b> - *This class runs for three 2-week sessions for 2 hours each day and is only for Hartland-Lakeside School students with a teacher recommendation.* This class is designed to extend and enrich student learning throughout the summer, so that students enter the next grade level with the skills, strategies, and knowledge needed to be successful.	\$0.00
<b>5K Targeted Reading Practice</b> - *This class runs for three 2-week sessions for 1 hour each day and is only for Hartland-Lakeside School students with a teacher recommendation.* This class is designed to extend and enrich student learning throughout the summer, so that students enter the next grade level with the skills, strategies, and knowledge needed to be successful.	\$0.00
<b>5K Targeted Math Practice</b> - *This class runs for three 2-week sessions for 1 hour each day and is only for Hartland-Lakeside School students with a teacher recommendation.* This class is designed to extend and enrich student learning throughout the summer, so that students enter the next grade level with the skills, strategies, and knowledge needed to be successful.	\$0.00
<b>Art Adventure</b> Students will learn about works of art from various artists and create their own kid friendly versions of each piece.	\$5.00
<b>Ballet</b> In this class, dancers will learn beginning ballet in a fun and creative way! Each class will focus on learning new ballet steps, in addition to ballet choreography. The session will conclude with the dancers presenting their finished ballet dance for an audience!	\$0.00
<b>Beginning Spanish</b> HOLA AMIGOS! Students will learn basic vocabulary and phrases in Spanish. Your student will enjoy interacting with others all in Spanish! They will learn about the language by speaking, singing, dancing, playing games and doing simple crafts.	\$0.00
<b>Bubble Fun</b> Love bubbles, then this class is for you! You will learn to make your own bubble solution and then do some cool activities with it. Painting, writing and making different shape and size bubbles just to name a few....you will bubble over with excitement.	\$5.00
<b>Builder's Bash</b> Be creative and rotate through centers to build with different objects like boxes, blocks and more. Kids will practice making a plan of what they want to build, playing and building together with peers and sharing materials.	\$0.00

<b>Chalk Art</b> Join us for fun with chalk art. Students let your imagination bring your creativity to life with chalk art. Have fun making projects indoors and outdoors, including the sidewalks around Hartland South.	\$5.00
<b>Dinosaur Explorer</b> Roar into summer with Dinosaur Explorer, a dino-mite adventure where your little paleontologist will dig, craft, and discover the prehistoric world – sign up today before this class goes extinct!	\$5.00
<b>Engineering Academy</b> Are you interested in how things move? Do you like to create with a variety of materials? This class will teach you about forces, motion and design. Explore basic STEM principles through hands-on explorations and investigations in three major areas: force and motion, ramps for rolling, and design and materials.	\$5.00
<b>Flag Football</b> Like to play football with your friends? Come learn the skills of flag football and get your body moving. This class is designed for people of all skill and ability levels. Let's play.	\$0.00
<b>Gnome &amp; Fairy Gardening</b> Bring magic to your backyard with the help of Mini Fairy/Gnome Garden. We will create our very own gardens, welcoming the fairies and gnomes.	\$5.00
<b>Hockey</b> Get your heart pumping! Learn the skills of hockey and have fun playing with and against your friends. This class will include lots of activity and is designed for people of all skill and ability levels.	\$0.00
<b>Jazz/Hip Hop</b> In this class, dancers will have a blast learning new dance moves! Each class will have a warm-up consisting of stretching and movements that help with coordination followed by learning choreography for a Jazz/Hip Hop dance. The session will conclude with the dancers presenting their finished dance for an audience!	\$0.00
<b>Kickball</b> This class we will learn basic skills and compete in fun and competitive games.	\$0.00
<b>Kickin It (Soccer)</b> Learn the rules and skills necessary to play this sport. Then use that knowledge and those skills to play games. This is a physically active class for students of all ability levels. You will have plenty of time to practice, develop your skills, and have fun.	\$0.00
<b>Lego Fun</b> Display your creative side through the use of Legos. Students will plan and design a display that will reflect the theme for the week.	\$0.00
<b>Math Wizards</b> Become a math wizard. In this hands-on class students will learn and apply mathematics in games, movement activities, stories, and more.	\$0.00
<b>Mix &amp; Measure Fun</b> Come explore measuring and mixing through fun activities like making trail mix, dirt cake, and simple experiments. Students will practice using measuring tools while observing exciting changes that happen when different ingredients combine!	\$5.00
<b>Music Adventures</b> Have fun with activities that involve music and movement, such as singing, dancing, playing instruments, making instruments and our very own music.	\$0.00
<b>Nature Fun</b> Students will enjoy fun summer activities like looking for different birds, butterflies, trees and other things in nature. Let's take a nature hike and see what we find.	\$0.00
<b>Noodle Art</b> Have fun creating things with all different kinds of noodles. What will your imagination come up with.	\$5.00
<b>Paper Crafts</b> Students will have fun learning a wide range of techniques using paper as the primary medium, including folding, cutting, layering and more to create dimensional projects.	\$0.00
<b>Play-Doh Fun</b> Imaginative play for children with Play-Doh. Kids can mold, shape, cut and more while socializing with their friends. Children can use accessories and molds to create meals, faces, decorate a party cake...the possibilities are endless! Come join the fun!	\$5.00
<b>Playground Fun</b> Have fun learning and playing playground games with your friends like four square, jump rope, kickball and free play.	\$0.00

<b>Reading Fun &amp; Craft</b> We will read a book as a group and then the students will create a craft of their own that matches the book while building their fine motor skills.	\$0.00
<b>Recess Games</b> Have fun learning and playing playground games that you can teach your friends next school year. We will play a variety of games like gaga ball, four square, jump rope, kickball and a few new ones.	\$0.00
<b>Space Explorer</b> Blast off into summer with Space Explorer, where your little astronaut will build rockets, discover planets, and explore the stars – secure your spot before this adventure launches!	\$5.00
<b>Story Time</b> Come enjoy reading a children’s book and creating a project or acting out the story in a fun way.	\$0.00
<b>Tag Games</b> Like to play Tag? Play different versions of your favorite game. Come and have fun with your friends.	\$0.00
<b>T-Ball/Baseball</b> Join this active class to learn and improve your baseball skills and compete in fun and competitive games.	\$0.00
<b>Underwater Explorer</b> Dive into summer with Underwater Explorer, where your little adventurer will create, play, and discover the wonders of the deep sea – reserve your spot before this ocean adventure floats away!	\$5.00
<b>World Explorer</b> Embark on a global adventure with World Explorer, where your child will celebrate cultures, create crafts, and travel the world through hands-on fun – sign up now for this exciting journey.	\$5.00

<b>Yoga</b> Students will learn beginner yoga moves and practice relaxation techniques.	\$0.00

## Hartland-Lakeside 2025 Summer School Class Offerings

**Please select classes based on your child’s CURRENT grade level as of Jan. 1, 2025.**

### 3rd - 7th TARGETED PRACTICE CLASSES

*Targeted Practice classes are for students who currently attend Hartland-Lakeside Schools*

Practice classes are designed to extend and enrich student learning throughout the summer so that students are ready to enter the next grade level with the skills, strategies, and knowledge needed to be successful.

Practice classes are open to students with a teacher recommendation. If your child is taking the practice classes, **please sign up for those first.** You can then fill in the gaps with the classes listed in the elective section.

## ***HARTLAND NORTH***

### ***GET READY FOR 4K***

This OPTIONAL class is for students who are registered and will attend the district's four-year-old kindergarten program for the 2025 – 2026 school year. This class will provide children with an introduction to the 4K setting. Students will experience a variety of engaging early learning activities including music, movement, fine motor activities and art. **Registration forms will be mailed to the children that have already registered to attend our 4K in Fall.**

There will be two 2-week Sessions – Monday through Friday

Session 1: June 16th – June 27th                      Time: 8:30 – 10:30

Session 2: July 7th – July 18th                        Time: 8:30 – 10:30
