

Reading Targets

Literature

Key Ideas and Details

- Ask and answer questions to demonstrate understanding of a text, referring explicitly to the text as the basis for answers
- Using a variety of genres, determine the central messages, lesson, moral, or main idea

Craft and Structure

- Use word analysis to correctly identify vocabulary in text
- Distinguish their own point of view from that of the narrator or those of the characters or author

Integration of Knowledge and Ideas

- Use key details to compare and contrast themes, settings, and plots of stories including fact and fiction

Non-Fiction

Key Ideas and Details

- Ask and answer questions to demonstrate understanding of a text, referring explicitly to the text as the basis for answers
- Using a variety of genres, determine the central messages, lesson, moral, or main idea

Craft and Structure

- Use word analysis to correctly identify vocabulary in text
- Distinguish their own point of view from that of the narrator or those of the characters or author

Integration of Knowledge and Ideas

- Use key details to compare and contrast main idea, themes, settings, and plots of stories including fact and fiction

Writing Targets

- Compose a narrative to develop real or imagined experiences at grade level expectations
- Compose an informative piece to meet grade level expectations

- Compose an opinion piece to meet grade level expectations
- Conduct short research projects - gather, take brief notes, and sort information into provided categories.

Mathematics Targets

Operation and Algebraic Thinking

- Solve two step problems involving whole numbers and addition and subtraction
- Understand properties of multiplication and the relationship between multiplication and division
- Identify patterns in multiplication and division within 100
- Demonstrate fluency in multiplication within 100 (one digit by two digit)
- Solve two step problems involving whole numbers and multiplication
- Solve two step problems involving whole numbers and division

Number and Operations in Base Ten

- Use place value understanding to round numbers to the nearest tens or hundreds
- Use place value understanding and properties to perform multi-digit arithmetic

Number and Operations in Fractions

- Understand, represent, and compare basic fractional parts

Measurement and Data

- Solve problems involving measurement and estimation of intervals of time (metric and standard)
- Understand concepts of area and relate area to multiplication and to addition (counting tiles)
- Recognize perimeter as an attribute of plane figures and distinguish between linear and area measures

Social Studies Targets

Economics

- Explain how money affects economic choices.

Political Science/ Citizenship

- *Explain an individual's responsibility to family, peers, and community.*

History

- *Evaluate the purpose and effects of the Westward Expansion.*
- *Compare/contrast changes in contemporary life in Hartland with the past: social, economic, political, and cultural*

Geography

- *Identify the spatial concepts of geography: distance, regions, movement, scale, and location*
- *Identify how major physical features are represented on maps, globes, and other tools.*

Science Targets

Physical Science

- *Demonstrate the relationship between force and energy.*

Earth Science

- *Compare/contrast properties of earth's materials.*
- *Relate the movement of the earth and moon to day and year cycle*

Biological Science

- *Describe how the needs of plants and animals are met in their environment.*
 - o *Physical needs*
 - o *Energy*
 - o *Disposal of waste*
 - o *Response to environment*

Art Targets

- *Distinguish between and apply the elements and principles of design in a variety of ways*
- *Identify the expressive features of art*
- *Understand and use age appropriate art language and terms*
- *Evaluate and explain why and how others create art*

Physical Education Targets

- *Demonstrates body awareness, balance, and movement through space*
- *Demonstrates rhythmic locomotor and manipulative movement*
- *Demonstrates positive self concept respect for others and surroundings and positive interpersonal skills*
- *Uses manipulative movement and hand, eye, foot coordination*
- *Participates in activities that develop and maintain cardio-respiratory endurance, muscular strength, muscular endurance, and flexibility*

Music Targets

- *Identify and understand iconic musical elements*
- *Evaluate the quality of own performance and the performance of others in a social setting*
- *Classify the Orff instruments by sight and sound and demonstrate proficiency in playing.*
